Proline QuickBib Ceiling Cassette Cleaning Kit

Proline QuickBib **CLEANING KIT**

In the box

- 1 reusable Proline QuickBib funnel bib for ceiling cassettes
- 8 ft drain hose with nozzle
- Hanging hooks and adjustable cords
- Carrying bag

Fits

- Most ceiling cassette heat pump air handlers
- Residential and light-commercial jobs
- Works over drop ceilings and hard ceilings

Features

- Hangs directly below the cassette, so the cassette body stays in the ceiling
- Clean the coil ring, turbo fan and drain pan from below while the room stays dry
- Rinses out and packs back into its carrying bag

SKU: PLQB-CC
