Proline QuickBib Mini-Split Cleaning Kit x2 Contractor Pack

Proline QuickBib **CLEANING KIT**

In the box

- 2 reusable Proline QuickBib hanging bibs for wall-mounted units
- 8 ft drain hose per kit
- Adjustable cords per kit, sturdy design
- Resealable 4.2-gallon storage bucket

Fits

- Most wall-mounted mini-split air handlers with a total perimeter up to 10' 4" (up to 36" wide)
- Residential and light-commercial maintenance programs

Features

- The bucket keeps both kits sealed and organized between jobs and doubles as your catch bucket on site
- Pairs with coil-cleaning systems and pump sprayers to keep the process consistent across techs
- Reusable through dozens of jobs with a rinse and dry after each

SKU: PLQB-WM-X2
