Proline QuickBib Mini-Split Cleaning Kit

Proline QuickBib | **CLEANING KIT**

In the box

- 1 reusable Proline QuickBib hanging bib for wall-mounted units
- 8 ft drain hose
- Adjustable cords

Fits

- Most wall-mounted mini-split air handlers up to 36" wide with a total perimeter up to 10' 4"
- Covers the large majority of 6k to 24k BTU high-wall heads from all major brands
- Residential and light-commercial indoor units

Material

- Coated fabric

Features

- Fully encloses the unit, including the gap behind it where water runs down the wall
- Pairs with any foaming or no-rinse evaporator coil cleaner and a standard pump sprayer
- The bib rinses out and folds flat after the job

SKU: PLQB-WM
